Sponsor Spotlight

PAM SANTORO

Pam Santoro is a luxury real estate agent offering concierge services across the Atlanta Metro Area, including Alpharetta, Milton, and more.

Share something we might not know about your business:

I love working with seniors! One of the most rewarding things I've done is founding the Senior Resource Alliance of North Atlanta over 8 years ago. It's a network of 800+ members who meet twice a month at different communities. We have created so many opportunities for collaboration and enrichment tailored to seniors' unique needs!

How have you benefited from being an ABA Sponsor?

Being a sponsor has solidified my presence as a trusted and credible resource. When something comes up, members know exactly who to call, and they know they can rely on me to guide them through it.

For fellow ABA members looking to get the most out of their membership, I say stay involved! Make it a point to mingle before and after meetings—it's during these moments that some of the best connections are formed and it's worth carving out the time!

November Lunch & Learn Recap

We had a great turn out as ABA members learned how to be “Wagalicious” leaders from Sandy Weaver at our November lunch and learn. She shared timeless leadership principles we can learn from our pups! [Connect with Sandy on LinkedIn.](#)
